How to Track Your Speed Post

Find Your Tracking Number

1. Look for the 13-character tracking number on your Speed Post receipt. It usually starts with two letters (like EM, EE, or RR) followed by 9 digits and ends with two letters (IN for India).
2. Enter your tracking number in the search box above and click "Track" to get real-time updates on your consignment's journey.
3. Create a free account to save your tracking history and get automatic email notifications for status changes.
4. Enter your speed post tracking number to track your consignment

What You Can Track

- Speed Post domestic consignments
- Express Parcel Service (EPS)
- Business Parcel
- Registered Post with tracking
